

## Dublin ALM Course

### "ELT Development Course for Teachers"

- **25 hours per week: 08.45-13.15 Monday-Friday and 14.00-15.15 Monday-Thursday**
- **Course Duration: 2 weeks**

**ELT Development Course for Teachers** is suitable for non-native secondary school teachers of English who have a minimum English level of Upper-Intermediate. The course is designed by our Teacher Training department to help teachers refresh their English language skills, explore new methodologies and different approaches to teaching a language and take home lots of practical ideas and activities to use with their own students.

### Useful Programme Features:

- **Theory/ practice:** Understand the 'thinking' that goes into a successful communicative English language lessons, and how to execute this in the classroom.

- **Planning:** How to effectively plan a language lesson using logical stages which will benefit your teaching.
- **Tuition Hours:** 1 hour/lesson = 60 minutes

The following is a selection of modules typically covered on the course:

**Teaching modules**

ESOL methodologies  
Using course books  
Learner training  
Phonology

**Language awareness modules**

Modal auxiliary verbs  
The perfect aspect
